Maya Okafor

Senior Product Designer

Product designer with 8 years of experience shipping consumer fintech and health products. I turn messy problems into calm, accessible interfaces — and build the design systems that keep teams fast.

EXPERIENCE

Senior Product Designer · Monzo

2022 — Present · London

- Led redesign of savings pots; adoption up 34% and support tickets down 21%.
- Built "Ledger", a 120-component design system used by 9 squads.
- Mentored 4 designers; ran monthly critique and accessibility clinics.

Product Designer · Babylon Health

2019 — 2022 · London

- Designed symptom-checker flows used by 2M+ patients across 3 markets.
- Partnered with clinicians to cut triage time from 9 to 4 minutes.

UX Designer · Deliveroo

2017 — 2019 · London

- Owned rider onboarding; completion rate improved from 58% to 81%.

EDUCATION

BA Interaction Design · Central Saint Martins

2013 — 2016 · First-class honours

SELECTED RECOGNITION

UX Design Awards — Gold, 2024 · Speaker, Config Europe 2025 · D&AD New Blood judge
