01 — OVERVIEW

What we heard

Fernhill has grown from one café to four, but the website still reflects the first shop. Customers can't order ahead, the menu lives in a PDF, and 71% of visits are on phones where the current site is hard to use.

GOALS

- Make ordering ahead possible in under 60 seconds
- Show each café's hours, menu and vibe
- Grow the subscription bean club to 1,000 members

SUCCESS MEASURES

- 25% of morning orders placed online by Q2
- Mobile conversion from 0.8% → 2.5%
- Page speed score ≥ 90 on mobile
