ANNUAL CUSTOMER SURVEY · N = 1,204

How customers feel about Brightdesk in 2026

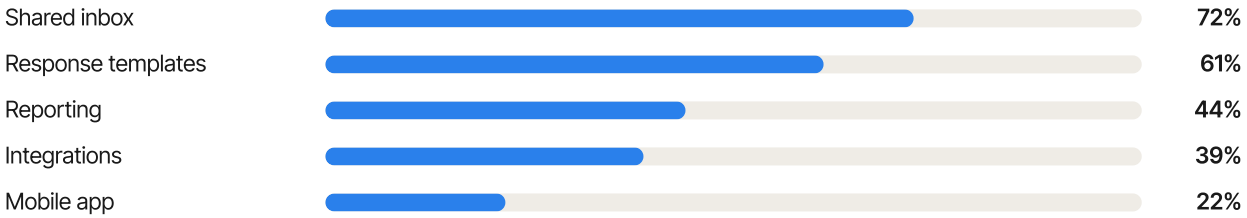

Net Promoter Score rose from +31 to +43

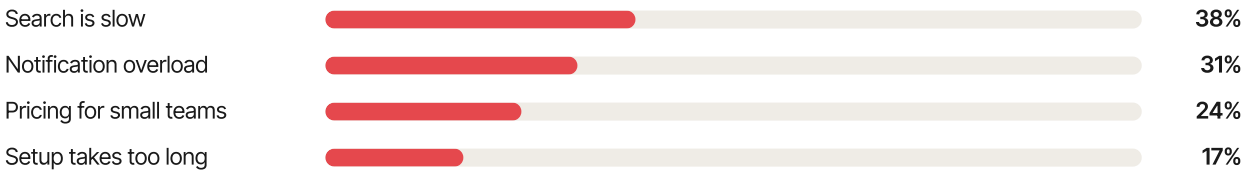

The biggest jump came from teams of 10–50 people, where the new shared inbox replaced two other tools.

- Promoters 58%
- Passives 27%
- Detractors 15%

What customers value most

Top frustrations

"It's the first support tool my whole team actually opens without being reminded."

Ops lead, 24-person agency

"Search needs to be instant. Everything else is great."

Founder, e-commerce brand
